SUBJECT: **Request for Expression of Interest, Selection of Firm For Meeting Arrangement/Stationary/Venue/PA system**

SWAT project aims to boost the rural economy and promote sound water resources management for **agricultural development, economic growth, and environmental sustainability.**

The main objective of the project is to increase agricultural water productivity, defined broadly as achieving "more rupees per drop" in the project areas. The project will also support province-wide activities such as improving the institutional framework for integrated water resources management and agricultural policy reforms that are necessary to achieving the main objective of the project.

In this regard ADU, SWAT is seeking a Firm for providing service for the meeting arrangement/stationary/venue/PA system . The firm will be selected for the period of 1 year (Extendable) and for the arrangements/working in various project districts. Selection of firm will be conducted through competitive selection on the basis of past experience capabilities. In addition, the firm's outreach will also be an important measure for selection.

You are therefore, advised to submit Expression of interest in line with the above-mentioned conditions by 24<sup>th</sup> January, 2023.
